FOREWORD

Breeders and buyers in general are more or less familiar with the fact that I have taken great care in the selection of my foundation and it is a matter of record that I have paid the prices which the best commanded. In this sale will be found a number of the best cattle I have been able to buy, and others as good as I have been able to produce. I know that I am selling the kind of cattle that will make good in other hands if given reasonable care. Many of them have proven profitable for me to keep. In mature animals I am listing only known producers and can invite men to this sale with the assurance that you will get just what you buy and that your money will procure for you an unusually liberal measure of value. The presence of breeders, new and old, will be appreciated.

TERMS AND CONDITIONS

We believe all animals in the catalog to be breeders. Cows with calves at foot or showing safe in calf are considered breeders and no further guarantee on same; but cows lately bred and open heifers must be producers, but on failure to breed may be returned to us at purchaser's expense, and should such animal fail to breed after six months' trial, an animal of equal value will be given in its place. Bulls are guaranteed breeders when properly cared for and not allowed to run with the herd. Should any fail to breed, he must be returned to us, and if he fails to prove a breeder for us, another of equal value will be given in exchange.

Terms—Cash, but parties desiring short time may have same on approved notes. Those desiring time must make arrangements before sale opens. Please bring late bank references.

All animals at buyer's risk as soon as bid off. All animals cared for and loaded on cars free of charge.

All cattle are tuberculin tested and health certificates as required for shipment will be furnished. And a sixty-day retest guaranteed when kept segregated.

JOHN CRIST.

Remember the sale of Bellows Brothers at Maryville, Mo., on June 1—easily reached by train or auto from my farm.
